

Hello Catalyst Families,

We are so excited to be starting our first year at Catalyst Public Schools! We wanted to follow up regarding your inquiry for uniform assistance. It is vital for us here at Catalyst Public Schools that education is accessible to all, which includes reducing any barriers such as uniform costs.

Families who qualify for the Free and Reduced lunch program will also qualify for uniform assistance. If you qualify, Catalyst Public Schools will provide your scholar 1 additional polo (on top of your first free founder polo) and one pair of bottoms (pants, skirt, or jumper).

Outlined below is the process to qualify for uniform assistance.

1. Complete a Free and Reduced Lunch application form and return to Catalyst Public Schools. Families must qualify for Free or Reduced lunch in order to qualify for uniform assistance.
2. Fill out the uniform order assistance sheet attached no later than **Friday, August 5th 2022** with the following information:
 - a. Confirm your scholar's polo size and size of bottoms.
 - b. Confirm which style of bottoms you prefer - pants, shorts, skirt, or jumper.
3. Sign the order assistance sheet.

Once we have received this information, Catalyst Public Schools will place the uniform order and uniforms will be distributed once they arrive.

Please note that uniform assistance does not include undergarments, socks, shoes or non-uniform outerwear unless the student qualifies under the McKinney Vento Act.

Please don't hesitate to reach out should you have any questions or concerns to Dustin Church, dchurch@catalystpublicschools.org.

All the best,

Dustin Church
